

**GUARDSHACK™**  
PRESENTS:

# BACKFLOW PROTECTOR™

A new line of competitively priced backflow enclosures with GuardShack™ reliability, all of our standard safety features and powder coating specs.

The Backflow Protector™ is our new enclosure that offers the same quality as the GuardShack™ line, but constructed of lighter tubular steel. This economical enclosure is beautiful yet extremely rugged and easy to install. The Backflow Protectors™ are all lift-off style which increases the amount of usable internal space and decreases installation time. Standard colors are Forest Green and Woodlands Tan.

- **Recessed LockShield™ Brackets**  
for better protection from bolt cutters and sledge hammers.
- **All Lift Off Line**
- **Smaller Footprint**
- **Smaller Concrete Pad Required**
- **Cage Can Be Installed Right Up To Meter Boxes**
- **Lighter Weight Than Guardshack Models**

## AVAILABLE SIZES

Model	Type	Internal Dimensions W x H x L
BP-1	Lift-Off	10" x 24" x 22"
BP-2	Lift-Off	10" x 24" x 30"
